All the girls check
Stacy out in the
locker room.

Sweet Stacy

Dear Virgin Territory,

I loved Stacy from your Oct. '14 issue in her uniform in the locker room. She is a pretty, young and sexy girl. She is adorable lifting up her skirt and showing off her panties that say 'cute' on them. When she gets down to her bra and panties it's so sweet. The best is seeing her wearing nothing. I love her pretty face with that sweet smile she has. Her beautiful teen body—her tits, ass and that pussy—drive me crazy. I liked studying Stacy's personal geography. I hope she comes back and poses again. Maybe next time she could be a cheerleader. Two-four-six-eight Stacy makes me masturbate. Go, Stacy!—J.K., Green Bay, Wisconsin

Dear J.K.,

Stacy was in the Holiday '14 issue in hardcore. If you missed it, order the back issue on page 11.

Lots of Cum for Maci

Dear Virgin Territory,

I think I have found my new fantasy girl. It's Maci from your Oct. '14 issue. She's such a cutie. I came to

her centerfold four times. She looks so young and sweet, but at the same time really seems to enjoy that dick-ing. I like her tits and her pussy and her face. Her super-pink pussy lips

turn me on so much. It's like they are red and swollen with lust and need a thick cock thrusting between them. I must also say that I like the set-up with her taking her graduation photos. All the themed photosets like that—whether it's a cheerleader, a girl in the locker room, a teacher fucking a student in class—are fun. They add a little something extra.

That's a great full-page cum shot at the end of her layout. All hardcore pictorials should have full-page pop shots like that. Make sure there is lots of thick, creamy cum on the girl, too—no dog water. Hope to see more of this cutie again soon.—E.F., Wilmington, North Carolina

Dear E.F.,

Good news—there's more of Maci to come! For now you can see her in the DVDs *Glazed Teens 2* and *Afterschool Slut Club 3*, both available for order on page nine.

CONGRATULATIONS!

Teen Panty Winner!

B.H. from Dyer,
Indiana won Kaci's
panties.

Maci is one hot fuck with that shaved, super pink pussy!

thank you for featuring Tessa in the same issue. It just wouldn't be a proper Back to School issue without a girl with braces!

As I am on a budget I don't usually buy your DVDs, but I'll make an exception for Jean. Is she in any DVDs? I hope so. I would definitely get my money's worth with that DVD because I'm sure I'd watch Jean's scene until it broke.—T.P., Denver, Colorado

Dear T.P.,

Jean is in Afterschool Slut Club 2. Order it on page nine.

The Gape Debate

Dear Virgin Territory,

I have to admit, Tiffany's pussy photo on page 60 of the Oct. '14 issue really intrigued me. You don't see a gaping cunny like that too often in the teen magazine. Maybe I'm not supposed to like it...but I do. Probably because I'm a perv who likes anything that is raunchy. Don't get me wrong, I like seeing tight little teen pussies too. But Tiffany's mini gaper sucked me in like a black hole. Makes me want to stick my dick in and pound away. I think it would be okay to include some of these gapers every now and then in your mag.

You know a girl who has

As reader T.P. knows, every inch of brace-face Jean is incredible. She's grade-A!

a wide ol' gaper like that can probably take a big cock. And if there's one thing I love to see, it's a cute teen taking a cock that's just about as big as she is.—B.D., via email

Jean Is Unforgettable

Dear Virgin Territory,

Jean has always been my favorite *18* girl. She has the best dick-sucking lips of all, and the braces really take her over the top. Although she was only featured in two photos, it was nice to see her in your Oct. '14 issue. I'm not a fan of the glasses, as they're just a distraction from her pretty face. But she still looks good even with them on. I would love to see her in a pictorial again, especially with some full-body shots and nice, big smile showing off those braces. She is truly a star—one of those types of girls you will see in your mag, even if it's just once, and remember forever. On a side note,

**Teen
gapers—a
controversial
topic.
What do
you think?**

Dear B.D.,

Variety is the spice of life, and we try to include all types of pussies in 18eighteen. Glad you enjoyed Tiffany's gaper!

Dear Virgin Territory,

We don't want to see wide, loose vaginas like Tiffany's in the Oct. '14 issue. The reason I buy your magazine is to see tight pussies or cherries if ever possible. Tiffany looks like she's been around the block quite a few times, and frankly it is not a turn-on. Gaping is acceptable for your older women magazines, but not for teens. They should not have had enough sex to get loose like that. Please stick with tight, inexperienced young girls. Thanks.—R.F., via email

Dear R.F.,

We're sorry you didn't like the photo of Tiffany. A slightly gaping pussy like hers is rare in our magazine, so don't worry about seeing too much of that.

Boners for Braces

Dear Virgin Territory,

Braces are one of my biggest fetishes. I really love it when a girl has them. So naturally I am bonkers for Tessa. Does she do hardcore? I hope so. Nothing turns me on more than when a girl gets a load of cum all over her braces. Dressing her in the knee-high socks and white panties was an excellent decision.

She has that innocent look down, but I bet you she's really a naughty girl. I would love to slide my cock into her little slit and make her moan so I can see her braces glimmering in the light. Young little things like her are the reason I buy your magazine religiously. I would subscribe, but my wife is too much of a pain in the ass for that. So I settle for hitting the convenient store, buying your magazine and browsing it while sitting in my car. I have a secret hiding place for it, and when my wife goes to work I get the magazine and jack off. And you better believe I jacked my dick raw to Tessa. Those little tits of her are angelic. I can only imagine the glory of sliding my dick into her virgin asshole as she spreads for me the way she does on page 74. What a delicious, little morsel!—H.P., Dover, New Hampshire

Dear H.P.,

Too bad you and your wife can't enjoy 18eighteen together. Unfortunately Tessa did not shoot hardcore for us, but please enjoy this bonus photo of her.

More XXX of Risa

Dear Virgin Territory,

I noticed that sometimes you open your magazine with a video preview. That is okay, but I much prefer a full hardcore layout dedicated to a single girl. You did this with Risa's layout

**Reader W.S.
wanted to

photos of

fucking.**

in the Oct. '14 issue, but I was disappointed that there were only two photos of her having sex. I

realize that with six pages there is only so much you can do, but surely Risa is cute enough to have more than two sex photos in her pictorial. Risa deserves better. That being said, I enjoyed the all of her photos and especially the ones of her riding cock and getting fucked in the spoon position. Her cum shot was decent but could have been a little bigger. If she is featured in your mag again hopefully there will be a better photo selection.—W.S., San Jose, California

**Tessa's braces make
her over-the-top hot
in the teen niche.**

Dear W.S.,

We're sorry for the lack of photos featuring penetration and will definitely try to avoid this in the future. If you would like to see her doing hardcore on video, check out the DVD Teen Cum Traps. You can order it on page nine.

Missing Missy

Dear Virgin Territory,

Whatever happened to Missy Mae, the pregnant model featured a few times in your magazine? She was adorable, definitely one of my favorites. I was hoping we'd get to see her further along in her pregnancy and possibly lactating after delivery. She has that cute girl-next-door thing going for her, and I love her big tits and huge areolas. To be honest she wasn't the greatest in videos, but I enjoyed looking at her all the same.

Sometimes a girl just does it for you, you know? I would always fantasize about her riding me and dangling those big hangers in my face. She had some nice, big pussy lips too. Wonder what she's up to these days. Too bad she didn't do more work after having her baby. I was a big fan.—W.Z., via email

Dear W.Z.,

After shooting for us we never heard from Missy again, but that's how it goes. We like to think that she's doing well these days, and maybe she'll return to porn again. For now, enjoy the extra photo of her.

Burning Bush

Dear Virgin Territory,

Please feature more red bush. I absolutely love a redheaded girl with a thick batch of red pubes. Emma Redd and Aimee De Sade are two great examples. Their luscious bushes turn me on so much. I'll even take a nice, full black or brown bush, but red pubes are my favorite. And please, no landing strips. To me that is even worse than going totally bald. It's a tease, like the girl saying, I have pubes, but you only get this little preview of what could be a glorious bush! Plus I associate landing strips

Continued on page 18

Thick, red bushes are hot, but also kind of rare to come by!

Dear D.B.,

We would love to feature more red bushes, but pubes are hard to come by these days, especially red ones! Rest assured that if we get a model with a red bush we publish her as soon as possible.

Dear Virgin Territory,

Can we see more of Aspen? She is the most amazing girl I have ever seen—a true teen dream. She is so fresh and beautiful, and she has one of the best pussies I have ever laid eyes on. Nothing beats an innie cunny like hers. It's perfect. My mouth literally waters when I look at it, and my cock begins to harden. I can barely even begin to imagine how tight she is, and how incredible it must feel to slide your cock into her teen pussy for the first time. Too bad you didn't have a panty giveaway for her; I would have sent in 50 submissions! In addition to her wanton body, I also love her smile. A girl has to have a great smile, and Aspen's is so warm and inviting. I know it sounds cheesy, but it's true.

Natural Beauty

You look like such a nice girl. We were very surprised to see your nipple piercings.

"Why can't a nice girl have nipple piercings? It's fun! But I guess I got them because I do have a little bit of a wild side. I don't have any other tattoos or piercings...just my nipples! My boobs are kinda big so I like the way it looks. And it feels good when I play with them or when a guy sucks on my nipples. Maybe one day I'll take the piercings out, but I'm enjoying them right now."

You're a natural beauty. We noticed you don't wear any makeup.

"Nope. I don't wear makeup, except for special occasions, and I don't dye my hair. I just don't feel like I need to wear makeup. My skin is pretty good, and I think I look better without it. I never have to worry about a guy seeing me without makeup the next morning and not liking the way I look. The only thing I wear on my face is cum...sometimes.

[Laughs] Those are the kind of facials I'm used to getting. Maybe that's why my skin is so good! Either way, I enjoy a nice load on my mouth and chin."

You have a pretty pussy. Do guys ever tell you that?

"I've heard that it's pretty. Sometimes I look at it in the mirror, and yeah, I have to agree that it looks nice. I like my little, tiny lips. I've also been told that it tastes good. From what I've noticed the taste changes depending on how horny I am. Like when a guy starts fingering me and I suck his fingers it tastes tangy. But then once I've cum, maybe from oral or something, it tastes sweet. Guys have told me this, and I've tasted myself on their lips before. It'd be kind of cool if I could eat my own pussy."

Welcome back, Chloe. How have you been since we last saw you in the Jan. '14 issue?

"I've been great. I got a new job as a secretary and receptionist. It's just a part-time job to help me along through university. It feels so grown up having to dress business casual to work. The best thing about it, though, is my boss. He totally makes me cream my knickers. He's probably about 32 or so, and he's so hot. I can tell he works out, and he just seems so strong, confident and authoritative."

**Have you
let him
know that
you're into
him?**

"Oh, goodness no! I'm way too shy for that. I can barely speak whenever he comes around. I turn into a stuttering fool with a wet spot between her legs! It's terrible, really. I would love to work up the nerve to ask him out, but I don't have any experience with older guys. Instead I just settle for playing with my fanny in the office when I work the later shift. The first time was just for kicks, but now I'm hooked on rubbing one out whenever the office is empty."

Have you been interested in anyone else besides your boss?

"He is my biggest crush right now, although I did shag another guy in the office. That was just for fun. I'm not really interested in him, but he keeps asking me if I want to hang out again. I just can't do it. I'm so paranoid that my boss would find out and think less of me, or that it would ruin any possible chance of us hooking up. When I slept with that guy I was imagining my boss the whole time! He thinks I had such a good orgasm because of him, but um...not really! It was 'cause of my boss!"

Giving Thanks

She'd been head cheerleader back in school and was doing well as a communications major at the University of North Carolina, "though at the last sorority mixer it seemed like I was majoring in body language, if you know what I mean," she quipped in an email that let me know she and her friends were keen to meet up. They all wanted to discuss what transpired once their holiday family obligations had been fulfilled.

Gorgeous, ebony Krystal tagged along, as did Jessie, a tall redhead. They were a diverse and striking trio as they sat giggling in the local coffeehouse. We snagged a cozy couch in back where we could talk dirty and not attract an undue amount of attention. Of course, Krystal's curvy body was clad in snug velour sweats that hugged an ample ass. Every jiggle-tits and rump—was visible as she went to get a refill or sugar up her cup. Every eye in the place was glued as she moved, noting, as I did, that she appeared to lack panties.

The seam of her bottoms cut a cleft in her nether region, creating a mesmerizing and subtle camel toe that—judging by the swallows I'd seen on those observing—was making mouths water with curiosity and cocks stiff.

Jessie, meanwhile, was tall and pale and (seemingly, anyway) very proper. Long, straight, strawberry hair fell like a curtain near to her waist, pinned up chastely in front with butterfly barrettes. She wore a white sundress, dotted with tiny kitty-cats. Apparently, she has three pussies herself. At first she was shy, and discussed little more than her

THIS HOLIDAY SEASON, WE TALKED TURKEY (AND LOTS MORE) WITH THREE FRESHMAN COEDS JUST HOME FROM COLLEGE. SPOILER ALERT: ALL THREE GOT STUFFED!

BY PAYTON PARKER

Lo, there are many things to be thankful for this time of year: having our friends and family around us, the bounty of food we share at holiday gatherings and—perhaps best of all for *18* readers—all the reunion fucking that happens as co-eds head home to see high school friends after a few months away at college.

This year, I caught up with one such gaggle of gorgeous ladies—freshmen all, none over the tender age of our publication's title. They were besties back at their hometown high, three beachy belles from coastal South Carolina. My point of contact was sweet, blonde Twyla.

pets, nervously crossing and uncrossing her long, porcelain legs. I thought I caught a flash of silky ginger fuzz down there as she delicately dunked a biscuit into tea.

Could this forgoing of the undergarments be a pattern? I figured we were there to talk trashy. I may as well ask.

"Are you wearing underwear?" I inquired of Twyla. Girls can ask other girls such things, I suppose. The three of them shared a devilish look and burst into peals of laughter. I stared back, quizzically.

"Last night we had a rager at Krystal's house," Twyla confessed. "Her family did Thanksgiving at her cousin's house two towns over and stayed the night."

"There was...some fooling around," added Jessie.

"Bets were made," said Krystal.

Twyla looked around and huddled down a bit, then opened her thighs, flashing me a smooth-shaven cunny with a hint of pink where its juicy insides protruded from between pillowy, bare lips.

"We all lost."

More giggles ensued. My job is not the worst. I joined in and laughed a bit myself.

CRUSHING THE CRUSH

"Let's just say that Ethan was my crush since something like fourth grade," Jessie told me. The pair used to play together—first at day camp, then in the high-school band. "He was percussion, and I was woodwind, though. I play clarinet. And so even though we knew each other, we didn't interact much, and I was so shy. He was, too."

She admitted that she never thought he'd go for her. Anyone would be incredulous—Jessie was model-gorgeous. The insecurities of magnificent teen beauties are tragedies in need of attention. "He wasn't even really popular, kind of a to-himself sort of guy. He read a lot, he played music. He'd smile at me in the hallway and wave, and I'd get flustered, blush, my nipples would get all hard. I'd be embarrassed he'd see and snuggle my books to my chest and run off."

When Ethan walked into the party last night, catching her off guard, she was determined not to squander the opportunity.

"I've been away at school a few months," she said, her reddening cheeks adorably belying her intended confidence. "I felt like, 'Hey! I can talk to him! Guys are always trying to hit on me. Why wouldn't he like me?'"

"But then you chickened out!" Twyla said. Jessie's eyes hit her lap. "I know. I did."

"It worked out just fine," said Krystal, putting a manicured hand on Jessie's bare knee.

It's true, it did.

Ethan, it turned out, actually had gotten bolder in his time away. He said hello to a few people as he made his way through the house—clearly on a beeline for Jessie. "He walked right up to me and said 'Hi.' I was so excited he broke the ice, and my heart was beating in my chest, but after a while I calmed down, and he was just a guy. Granted, a hot guy who had me creaming my panties—I could feel them getting wet!—but still, just a guy."

They moved around from place to place throughout the party—first the kitchen, then snuggling close on the couch, thighs touching as they talked and caught up and almost re-met one another even having known each other so long. "It was so amazing," she said, her clean, fresh face lighting up, full lips spread over beautiful teeth in an innocent, young smile. "Before long we were sort of touching each other, holding hands, sitting closer and closer, and then he kissed me."

It was like his lips and tongue, so amazing against her mouth, were caressing her little pussy, as well. "I could feel it down there. I could feel him, imagine him licking and kissing me. I think it was because I'd thought about his mouth so many times, and because no one had ever done that to me before. And I'd always been curious..."

"FOR REAL?" Krystal interrupted. Twyla looked surprised, as well. "You never had your pussy ate?"

Jessie blushed and shook her head.

"Well," she said, "how was it?"

She shivered, genuinely. "Amazing. And so was the fucking afterward. You know Ethan is hung like a bull!"

Her friends screamed. Jessie is the quiet one, but apparently knows how to throw a zinger. She went on with her tale.

"After we kissed for a while on the couch, it started getting really hot. I was breathing heavy, I felt myself mov-

ing into his lap, grinding my wet panties down on his zipper, which felt about to pop. People were starting to notice, to watch. It was sort of hot, I admit. I was kind of high on adrenaline, but finally he looked at me and said, 'Wanna get out of here?' I nodded and he took my hand, leading me upstairs to an empty bedroom."

Once inside, Jessie felt uninhibited. She let her dress drop to the floor. "My bra was white lace, my panties where blue cotton," she giggled in a half-whisper, trying to maintain some privacy in the coffee shop. "Totally mismatched. I hadn't planned on anyone seeing them."

"I'm pretty sure he didn't mind," Twyla chirped.

"I don't think blue's his favorite color," replied Jessie. "He pulled my panties off straight away!"

The girls hooted and hollered, and Jessie went on, describing in detail how he laid her back on the bed, parting her long, creamy thighs as he kissed and stroked them. She was shaking, she said. "I wanted him to do it so badly, but I was nervous. What if I didn't smell right? What if I didn't taste good? But the way he nuzzled up to my pussy—it seemed like hours before his tongue slipped inside; my cunny was aching for it—I knew that whatever was going on down there, he liked it."

He spread her open with his thumbs, exploring and taking his time teasing each part of her. "I was squeaking," she said. "I didn't want to be loud but I couldn't stay quiet. It felt so amazing, and I was begging him to stop because I was going to explode—and I wanted it to go on forever and ever. My clit gets so sensitive once I cum. I need recovery time before I can play with it again!"

The girls nodded in agreement, each of them wetting their lips. The story was turning them on. Nipples were protruding, their breath coming shorter as they listened.

"He drew my clit into his mouth and rolled it between his lips, and I pulled a pillow over my head so I could scream. I was pressing my bush into his face. I'm surprised I didn't smother him! And once it was over, he slid up on top of me. He'd slipped his pants off somewhere along the way. His skin was warm, and his cock was long and thick, hard as a rock and hot like the sun. It filled me all the way to the top as he slipped inside, kissing me while we began to move together. I was so wet I could hear the juices of my cunny making slurpy sounds while he moved in and out—wet sounds that made me horny again. We flipped over, and I began to ride him. He pulled down my bra cups and squeezed my nips, and I slammed my pussy down on him harder and harder. As I began to cum, he let me know he was cumming, too...."

Jessie moved off him and watched as his cock arced spunk up and over Ethan's head ("We cleaned the headboard, Krystal—don't worry!" she said.) and still more pooled on his belly. She dipped a finger in tentatively and tasted, another first. "It was musky and salty-sweet, and I can still sort of smell it. We exchanged numbers and he's been texting me all day so far. So I'm hoping this won't be a one-time thing. It's making me sort of sad to have to go back to school. But now I want to hear about your night, ladies!"

Twyla and Krystal exchanged knowing glances. They took deep breaths and at last began to share.

BFFFs

"What's the extra F for?" I asked, when Twyla said that she and Krystal were at a new level in their friendship.

Jessie couldn't contain herself. "It's 'fucking,' isn't it? OMG, you guys totally had sex, didn't you?"

"Remember Cory?" asked Krystal. "The really cute guy from JV basketball back in the day?"

Jessie nodded.

"Well, he brought his cousin to the party. And he was clearly a player. Tall and built. Older, like 21 or something. I think he might play for Duke, but I'm not sure if they were trying to be smooth with that. And from the second they arrived Cory was—just like in school—all about trying to hook up with me. His cousin was after Twyla, but like I said, he was a player. He had an eye on me, too, and was bringing his game."

Krystal knew she wasn't much interested in Cory. "He's actually really cute," she explained, but he's younger and something about him always felt 'little brother' to me. I liked talking to him, but I've always been interested in older guys, men now that I'm in college. And his cousin—not that he's so old—just felt like he'd know what he was doing. He was comfortable and funny and smart. He was BIG. His hands, his

feet, and I assumed his dick. Thinking about that was getting me very interested."

Twyla felt the same.

"We sat on the outdoor sofa out back. It's in this draped tent sort of a thing, like a hotel's pool cabana kind of. It was pretty quiet. Not many people around. You could hear the woods behind the house when we stopped talking. He sat in between us and the vibe just kept getting better and better," she said. He was smooth, but not cheesy. There was weird energy going on. Something different than I'd ever felt. And every time he got flirty with either of us, or both, me and Krystal would look at each other, and we sort of knew that something

You make very sexy faces. Do you ever get called a flirt or a tease?

"Sometimes, but not often. Sometimes men think I am giving them some kind of signal, but this is just my face! I guess I have a way of looking at people that is kind of sexy and flirty. That's because sex is almost always on my mind. But it doesn't necessarily mean I want to fuck them. And even if I want to fuck, I'm a little submissive when it comes to making a move on a guy."

So you prefer the guys to make the move on you?

"I think all girls do. Even if a girl is confident and aggressive, it still feels good for a guy to show you how much he wants you. Girls like to be chased and shown attention. It's the way we are built. If there is sexual tension between a guy and I, I would feel that he was less manly if he did not make a move. Although I have made the first move on a guy before. I was super horny, and I just couldn't wait any longer for cock."

She is looking directly at the camera with a slight smile. She is unclothed, showing her breasts and a belly button ring. Her hands are resting on her thighs, and she has white nail polish. The background is a light-colored wall with a bamboo blind on the left.

How do you let a guy know you want him?

"I try to give him a look that says, 'I want to fuck you.' I try to say it with my eyes. I try to be physically close to him. I will touch him, or let him touch me. It's all in the body language. I'll be open and hope he gets the hint to grab me and fuck me!"

Natalie fucks at work!

"I'd only been at my new job at the mall for a few weeks when this guy came in. I could tell right away he was into me because he kept following me around the store, and I even caught him trying to look up my skirt! At first I thought, *what a creep!* But then I noticed the bulge forming in his pants. I started getting horny thinking about how much I was getting his dick hard and that was all it took."

How did you manage to do that, Natalie?

"I waited until all the other customers left to show him I was ready to play, but I didn't lock the front door. I could feel my pussy throbbing at the excitement of showing him my titties while at work. My heart was racing thinking about my boss or other customers walking in on us, but it only made me hornier! I dropped down to my knees to suck his cock right there in front of the cash register. It was so delicious, and he was totally into the whole exhibitionist thing. In all fairness, though, the mall was pretty empty that day."

"Hell yes! When he finally fucked me, my cunny squeezed the hell out of his dick until I came super hard. He came too—in big, thick wads all over my chest. It was super sexy and got me horny all over again! I hope he comes back to do a little more shopping soon!"

"Duh! We all do! How do you think we make so much money? And I mean, it's a car wash. You've gotta be in a bathing suit.

Personally I think I pull in the most guys because I'm the most out-going, and well, I guess I'm kinda cute, too. I know how to ham it up for the guys. I stick my ass out while I'm scrubbing the car. I'll wear a white t-shirt with no bra underneath, and cover it with suds. A lot of the time I'll see the guys trying to hide their hard-ons. It just makes me feel good to know they're getting their money's worth."

Have you ever fucked a guy at the car wash?

"Yeah, once. This really cute, young guy drove up, and we ended up banging in his back seat. After I waxed his car he waxed this ass! The girls all teased me, calling me a slut after that. I loved it!"

Now, every man can know the power of having a huge cock!

INCREASE YOUR PENIS SIZE

HOW IT WORKS

- This is not a penis pump. This is not a sex toy. The Bathmate uses hydraulic pressure to expand the blood vessels and tissue in the penis. With a thorough regimen of daily use, results gained will continue to develop.
- Water creates a far more powerful vacuum than air, which in turn leads to greater power to increase penis size and to exercise the penis. Warm water develops blood flow while cushioning and lubricating the penis as it expands to fill the tube.
- Temporary gains in length, girth, erectile strength and stamina will occur after first use. These results may range from 0.25" to 1.00" in girth. Length will vary with participant, but all gains improve with time.

Finally, penis enlargement that really works!

Asian Fetish

Dear Virgin Territory,

I am new to your magazine and have a bit of a fetish for Asians. Could you recommend any for me and tell me which issues they are in? I love their exotic looks, petite builds and tiny pussies. Yes, it's true—Asian women have some of the smallest vaginas there are! However I don't see too many of them in magazines, so I was hoping you could steer me in the right direction. Thanks.—H.V., Hollywood, Florida

Dear H.V.,

Some Asians you might enjoy are Yui from Dec. '14, Alina from Feb. '14 (solo) and Nov. '14 (hardcore), Mai from Aug. '14, Amai Liu from June '11 (solo) and Aug. '11 (hardcore) and Ava Lee from Jan. Do you ever not wear any panties?

"Sometimes I don't. It feels weird! Either my pussy will be rubbing against the inseam of my jeans, which can feel good, but sometimes it's too much. Or if I'm wearing a skirt I can feel the breeze on my pussy. It's kind of hot to think of flashing people my pussy, but I get worried about my skirt blowing up at the wrong moment. It can be fun to go commando, but I prefer to wear underwear. And it's because my pussy is so juicy I need something there to catch it. Otherwise I'll be soaking through my jeans or leaking down my leg. That's just too much. I need protection!"

Your pussy is always juicing 'cause you're always horny?

"Pretty much! My mind starts to wander, and the next thing I know I'm thinking about getting fucked from behind by a stranger in an alley. Then I can feel the juice trickle out of my pussy and onto my panties. It feels all warm, and to be totally honest, sometimes I go home and smell my panties before washing them."

You seem to know what you like. Are you sexually aggressive?

"Yes, I would say that I am assertive. If I want you, I'll take you. For example, there was this girl once that I hit on so hard. I couldn't help myself. I started caressing her and telling her how pretty she was. I asked her to come to the bathroom with me, and we went into a stall together. I kissed her, and we ended up having sex. She was just so hot that I had to take her right there. There are also times that I can be submissive. When that is the case, I have no choice but to take a hot load in my mouth all at once and swallow. When I'm in that mode I also enjoy being tied up and manhandled. It's so hot when they tease me till I'm begging for more."

Lolly, what's it like to be a teen fuck star? Has anyone ever recognized you on the street?

"I love my life! Fucking is my favorite thing to do, and doing it in front of a camera is so much fun. The great thing about fucking in a porno is that they usually pair you with a hot guy with a big, hard cock. Nothing tops that. As far as being recognized, I've only been approached once or twice by fans, and the guys were nice enough. They asked to take a picture with me and told me they enjoyed my photos in *18eighteen*! I'm glad I can make other people happy just by cumming."

Have you always been confident about your body?

"Yes, pretty much. I mean, there were times I wished I had bigger boobs or a bigger butt, but it was nothing that got me down. I think having tiny tits suits my body type. I'm a skinny flattie, and I'm okay with that! The guys who are into me like my flat chest and my pointy nipples. And I think they're cute! Did you know guys who are into little tits love to cum on my chest? I'll swirl their cum around my nipples then lick it off my finger. They go wild for that!"

And what about your juicy pussy lips? Do guys like those?

"They like sucking on my big clit and labia. They'll tug on my pussy lips with their lips while they eat me out, and I really enjoy that. Sometimes if a guy is fucking me slow enough I can actually feel my pussy lips gripping his cock. I know innie pussies are all the rage, but guys seem to really love seeing my swollen clit and lips sticking out of my crotch. It's very erotic. It's like you can actually see how aroused I get!"

was about to happen, and we were both okay with it. It was sexy."

"It was electric," Krystal added.

At some point, she explained, Cory took a call and left. And when that happened, the whole situation ratcheted up a few notches.

"The talk got sexier," she said. "Who have you been with? What's the craziest thing you ever did? What turns you on...? That sort of thing. It got all of us more in the mood. His hands were on our legs, we'd lean in and laugh, it was the way hookups always happen at parties for the most part—just there were three people instead of two. I don't know about Twyla, but his hand was warm on me, and I felt myself buzzing between my legs. I was silently grateful I'd trimmed up the baby bush that night in the shower! I was ready for action and looking good!"

We all had a giggle at that.

"So good, apparently, that she decided to show us!" Twyla chirped.

Jessie gasped and shoved her. "You did NOT!" she squealed, every inch a teen-girl move.

"Oh, she did!" said Twyla, and went on to explain.

The sexy talk had gone on a while and for some reason, the topic of "man-scaping" came up. Krystal asked him if he ever shaved his chest or his arms or anything, to look more ripped. He explained that he'd never shaved or waxed anything—and in fact he sort of liked girls who had at least something going on "down there" because he'd grown up sneaking peeks at magazines, and the models were hardly ever bald. Then he said that he generally took scissors to his own—just to keep it in check.

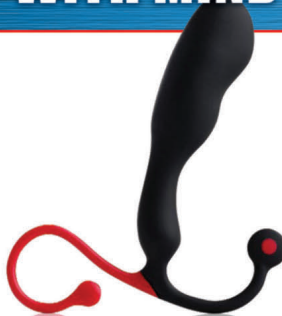

The girls giggled. Everyone was horny. They spied an ample bulge in his pants.

Krystal spread her legs, and her denim mini rode up to her hips. She wore fire-engine red panties. Silk. They were drawn taut up against the swell of her pussy. The evidence of her recent interlude with the razor was evident. Not one hair escaped the confines of that silken prison.

"Damn, that looks nice," he said, his voice was low.

While he gazed longingly at her

pussy, and she stroked the shiny material with a manicured fingernail, Krystal gave a subtle nod to her best friend. Twyla slipped a small foot from her flip flop, settling the arch over the head of his aching hard-on. He turned his attention to the blonde.

She had carefully arranged herself with legs wide—her small gymnast's body balanced perfectly on the edge of the couch. She, too, showed off pretty panties. Hers were white and lacy, a slip of a thong really, which she'd generously pulled to one side.

A honeyed pouf of soft hair, a small triangle of fluff, sat atop a pink, pearly slit, gaping and wet, clearly excited by the long foreplay of sexy-talk that had preceded it. She parted the lips, giving them a clear eyeful of soft, meaty girlflesh, of a tight hole, pink and wanton. She fingered her swollen clit tantalizingly, turning small swirls on its face with a delicate touch, making herself clench and shiver as she showed them both how she enjoyed being stroked.

Krystal took that opportunity to arrange herself the same way. Long, brown legs akimbo, she pulled the red silk aside and revealed a hot, juicy box that, save its colors,

was a twin to her best friend's. They shaved the same—smooth, bare lower lips that begged to be sucked on, a tuft of dark, tight curls up top, pearly purplish inner lips that glistened with wetness and a tunnel that was paler pink than Twyla's. Krystal's cunny was like an edible flower, but twice as beautiful.

For the moment, the girls forgot homeboy was even there. Caught up in their mutual display, each was riveted by the other's pearly-wet snatch. He watched, cautiously taking his cock from his pants, moving his gaze from one girl to the other. As their motions became faster, more heated, and their pussies began to drip from the action, his cock did, too. He began pulling on his dick, milking a drop from it, before stopping.

He was a bit older. He realized they were going to let the real fun slip by while enjoying the show.

"Ladies," he said, "why don't you come over here?"

He stroked his cock—probably eight or nine inches of it—and the girls came, getting to their knees on either side.

Krystal took his heavy balls in her pussy-wet palm; Twyla wrapped hers around the base, though her small fingers barely closed around its girth. Together they began tonguing it, licking and kissing, taking turns sliding the head into their mouths and sucking. Sometimes they kissed with his steely shaft between them.

He felt the cum rising and again, put a quick stop to the action, with a quick pause to shift the coffee table and make room for them all on the rug beneath. He positioned the girls ass to ass, pussies nearly touching, and began to kiss and lick and explore their sugary cracks and crevices with his tongue. They responded immediately, actually coming together so they could rub cunnies, wet sliding against wet, as he licked and sucked and fingered them both. They pressed together as they got hotter and hotter, with Krystal's creamy snatch literally juicing over the both of them. They mewled softly in pleasure, like kittens.

Again, he put a stop to it.

"Who wants this," he said, gripping his cock on his knees. Its weight pulled it lower. Though stiff as a board, its head pointed at the ground.

"I do, daddy," said Krystal.

"Then you'll get it," he told her.

Twyla didn't mind going second, though she wondered if she could keep from fingering her pussy to climax if she had nothing to do but watch them fuck. Lucky for her, Krystal kept her in her thoughts. She got up on all fours, raising her round, sweet rump to his cock.

"Get in the chair, T," she said to her friend. Twyla complied, throwing a creamy thigh over each arm of the low, comfortable lounger. And as he began to slide his thick, pulsing cock into her, she began to eat the pussy of the girl to whom she'd been a best friend since grade school. He watched, rapt, as he buried his bone in her tight twat, while Krystal's lips sucked her friend's pussy dry and delicately kissed all her inner and outer folds.

As he fucked her harder, getting crazy from the girly show, Krystal turned her tongue into a cock.

"He fucks me," she said between grunts, "I fuck you."

Twyla's fingers spread her pussy wide, letting her friend get all up in her juicy junk. She was so wet you could hear her being eaten. Krystal was so soaked you could hear her getting pounded. The three worked it like a rhythmic sex machine, sucking and fucking in unison, in harmony, until Twyla set them all off.

She moaned and cussed and came hard, holding Krystal's hungry mouth against her pussy as she ground into it. Krystal's insides began to flex as the orgasm came, drawing the spunk up out of his balls like a siphon. He yanked out and sprayed it all over her smooth, beautiful back and ass.

"Wow," said a breathless Jessie. "That was heavy."

"It was," said Twyla, reaching out and grabbing Krystal's hand, "but our friendship can take it."

"It's something else we have fun doing together!"

"For sure," said Jessie. "Which reminds me: when's our next girls' night?"

The three collapsed in a heap of caffeinated giggles. 18
